## Technical support text

- 4-Piece band - Vocals/Keyboard, Guitar, Bass Guitar & Drums/Vocals
- Guitar cab will need microphone for output
- If Bass Amp & Cab supplied by us, there is a DI out—Happy to use what's supplied if required
- Drums traditional at the centre/rear (will bring breakables, but need at least 3 toms and 4 cymbals)
- 6 piece, with 4 x concert toms, snare & Bass Drum—XLR from Bass Drum off Behringer BA-19A
- Band uses 2 microphones (1 supplied Beta 58A for drummer on boom) and Lead Singer
- Please supply second on stand for Lead Vocals.
- Monitor mixes required for all 4 band members, but drummer can use 1/4" output for IEMs if available
